Speaker profiles
Mick Newnham
<p>Mick has been involved in audiovisual preservation since 1988 and is currently the Manager of Conservation, Preparation and Research at the National Film and Sound Archive of Australia. Mick has been active in contributing to the work of the South East Asia Pacific Audio Visual Archives Association (SEAPAVAA), the International Federation of Film Archives (FIAP), Association of Moving Image Archivists (AMIA), International Centre for the Study of the Preservation and Restoration of Cultural property (ICCROM) and the International Organization for Standardisation (ISO). Mick has worked with collections in SE Asia, the Pacific, the Caribbean, Latin America, North America, Africa and Europe providing training and general consultancy services regarding preservation and collection management. Mick is a course developer and tutor with the Charles Sturt University on-line course in audiovisual preservation.</p>
Rod Butler
<p>Rod Butler has worked at the NFSA for more than 20 years in a range of collection access, digital management, conservation, and preservation roles. Currently he is the head of the Preservation and Technical Services Branch which preserves the NFSA's audiovisual collection through duplication and conservation services. Rod has a strong focus on maximising the NFSA's ability to deliver prioritised, balanced and high quality preservation and access outcomes, and has delivered presentations and workshops on this topic at a number of international conferences</p>
